

FINAL ANNOUNCEMENT

Dear participants of OTAMP2006!

The conference is approaching and there is only one week left. We hope that you have already arranged your travel and we are waiting for you in Lund.

The Registration desk will be opened on Thursday, June 15 from 16.00 and on Friday, June 16 from 8.00. It will be situated at Mathematical Annex. It is marked by MA on the map of LTH campus

(You may find hotel Sparta on the same map as well.) The campus of LTH can easily be reached by foot from the railway station Lund Central, but I recommend for those coming for the first time to take taxi from the station (the price should not exceed 100 SEK).

The registration on Thursday will be followed by welcome reception to start at about 18.00.

We have placed the Schedule, Book of abstracts and List of reservations on the web-page of the conference
