Algebraic Structures, April

The following students passed to oral exam. (see time for oral exam. Suggest another if this is not convenient).

Martino, David  26/4, 10.15  
Jokubauskaite Milda  26/4, 11.15  
Svedberg David  26/4, 13.15  

The following students almost passed to oral exam and have a possibility to complete their solution (and have oral exam after that if they succeeded). Suggest another if this is not convenient.

Caprani Jamie  27/4, 10.15  
Oldehed Henrik  27/4, 11.15  

Other students can look at their exams 26/4 15:15 in MH:453B
