

ERRATA FOR "SCALING LIMITS OF RANDOM NORMAL MATRIX PROCESSES AT SINGULAR
BOUNDARY POINTS"

- (1) By the bottom of page 4, the kernel \mathbf{K}_n should be multiplied by r_n^2 and *not* r_n^{-2} .
- (2) Likewise, a few lines above (on page 4), the k -point function $\mathbf{R}_{n,k}$ should be multiplied by r_n^{2k} and *not* r_n^{-2k} .
- (3) On p. 8, in the caption to fig. 3, the last value of T should be " $T = 5/2$ ", not " $T = 5/3$ ".
- (4) Finally, on page 8, after eq (1.16), a factor of r_n^2 is missing in front of \mathbf{K}_n .
